Dr Yeo is a Senior Family Physician in the Frontier Healthcare Group, helping to run a heartland general practice clinic. She has a keen interest in chronic disease management and takes care of her patients in an old estate. She is a core faculty in the Residency Programme in NUHS. She mentors the residents during their residency years and prepares them for their examinations. As a clinician educator in the NUS Yong Loo Lin School of Medicine undergraduate programme, she is passionate about impacting her knowledge to mould the young minds of the medical students. She works closely with the team in curriculum planning and assessments for the third year Family Medicine posting.
